

Key Dates

Give yourself enough time to make an informed decision about your future by staying in the know about what to do, when.

Date	Event
September	You can submit complete UCAS applications.
October	Application deadline for Music, Medicine, Dentistry and Veterinary courses, and for Oxford and Cambridge.
November	Get going on your personal statement and references.
December	Use UCAS Track to monitor offers made.
January	Application deadline for most higher education courses.
February	UCAS Extra opens, so you can add extra choices.
March	Application deadline for some Art and Design courses.
April	Universities and colleges usually make their decisions.
May	It's time to reply to offers received by 31st of March (If you receive offers at other times they will have their own response deadlines).
June	Applications received after June will automatically be entered into Clearing.
July	Last chance to apply through UCAS Extra, and Clearing opens.
August	A Level results released, and Adjustment opens for 2 weeks. Remaining offer conditions must be met and Adjustment closes.
September	Last chance to apply for courses starting this year.
October	Last date to add Clearing choices, and for universities and colleges to make decisions.
