Dear Parents and Carers,

RE: “Articulate Your Way to HE!” - Workshop with Articulacy funded by Next Steps South West

It is with a great amount of pleasure that I am able to contact you to let you know about the “Articulate Your Way to HE!” workshop your child will be taking part in at school.

This is an intensive one-day program to allow year 12s to explore the different ways that they will present themselves as they move onto Higher Education or other choices for their future.

They will cover interviews, telephone skills, presentation skills, body language, vocal confidence and taking the fear out of meeting new people.

The Articulacy team have great experience in finding interactive and enjoyable ways to help students improve their confidence and remove fear barriers.

Students will not be sitting behind desks for the day, in fact it will be extremely interactive and will require them to join in with games and activities all focused towards developing transferable skills and boosting confidence and communication skills.

The company delivering the training is Articulacy and you can find out more about us as well as a video giving you a taste of what we do here: <https://www.articulacy.co.uk/schools/>

The week is funded by Next Steps South West: www.nextstepssw.ac.uk/

If you have any questions please contact Leanne on leanne@articulacy.co.uk or 07545219856.

We are really looking forward to meeting and working with your child.

Yours faithfully

Leanne, Business Manager for Articulacy
