

# ARTICULACY

## YEAR 12 ONLINE OFFER

We would like to make you aware of an offer from Articulacy for your year 12 students. "Articulate Your Way to HE" is a fully-funded one-day workshop, now available virtually. Led by an Articulacy Tutor and following a schedule, year 12s can independently work through videos, presentations and tasks to develop skills and confidence in online communication.

Students are spending more time than ever online and some are struggling with their online presence. Universities and colleges are also suggesting interviews may now involve online panels or sending in application videos, and we want every student to feel that they can tackle these potential challenges with confidence.

Students will spend the day considering body language, impact, stress or confidence barriers, useful presenting techniques, and how to conduct themselves at interview. They will make a video and receive constructive support and feedback from Articulacy.

We need to book a tutor for the day and so please contact your Next Steps South West Institutional Officer or Sam Baldwin [samantha.baldwin@plymouth.ac.uk](mailto:samantha.baldwin@plymouth.ac.uk) in the first instance to arrange your day for up to 16 target students.
