

Next Steps South West (NSSW) are proud to present a series of workshops in collaboration with **MADE Training** as part of our core offer. The workshops are designed to help your students develop the required skills to approach exam revision with confidence.

Exams MADE Easy

**Effective thinking, studying
and revision strategies**

"This showed me the best way to tackle my revision with the best methods which I will definitely use for my exams"

Year 11 student - Whitsone School

Our Offer:

Exams MADE Easy

2 hours

80 students max

Your students will learn how to:

1. Motivate themselves to revise
2. Analyse their performance and prioritise their efforts
3. Condense information and create cue cards
4. Use mnemonic and spatial memory techniques
5. Apply spaced learning strategies to increase productivity

The NSSW funded MADE provision includes 4 hours of workshop delivery within a one day allocation. If you require compact sessions, then our 1 hour workshop **Rapid Revision** covers elements from the Exams MADE Easy workshop in a bite-sized format. This is funded by NSSW and there is no cost to your school/college.

Talk to us about having an additional:

- **Staff overview; 30 mins* (optional)**
- **Focused student session* (£200+vat)**
- **Parents' evening* (£250+vat)**
- **Day(s) of delivery (from £995+vat)**

*Delivered on same day as student workshops

Take It Further

MADE has a complete suite of workshops designed to give your students the most relevant and effective thinking strategies. These workshops are not funded by NSSW.
