# T Levels?

## Explained

T Levels have been developed in collaboration with employers and businesses so that the content meets the needs of industry and prepares students for work, further training or study.

- T Levels are 2 - year courses after GCSEs
- Alternative to A levels, apprenticeships or other level 3 courses
- Equivalent to 3 A levels
- 315 hour / 45 day industry placement
- 80% classroom / 20% placement
- A T Level Distinction\* is worth the same as 3 A levels at A\*
- Available to study at selected schools and colleges

### **Courses currently available:**

Building Services Engineering for Construction / Design,  
Surveying and Planning for Construction / Digital Business  
Services / Digital Production, Design and Development / Digital  
Support Services / Education and Childcare / Health /  
Healthcare Science / Onsite Construction / Science

More subjects are added each year, six more will be added in 2022, and an additional seven in 2023.
