

KS5 Choosing an HE Course Workshop

August 2020 - July 2021

The Choosing an HE Course Workshop is designed to highlight the various factors to consider when selecting HE study options. In exploring these elements, and through learning how to conduct appropriate research, students increase their understanding of how to identify the HE routes that are right for them and why.

Engagement

No. of students	1115
No. of schools	15
No. of survey responses	192

99% of students reported that the workshop increased their knowledge of the HE courses available to them.

As a result of this workshop **98%** of students reported that they now know how to research course options.

At the end of the session **86%** of students stated that they could make better informed decisions about whether HE is the right option for them.

92% of students indicated that they now know how to find out about course and study options for their future.

This evidence demonstrates that the Choosing an HE Course workshop has had a positive impact on the students who took part, with increased knowledge of HE options and pathways, and how to research them.
