

KS5 Higher and Degree Apprenticeships August 2020 - July 2021

Higher and Degree Apprenticeships sessions give students an opportunity to understand how this level of Apprenticeship works, recognise the benefits of studying one and challenge any preconceived ideas.

Engagement

No. of students	1,334
No. of schools	18
No. of survey responses	237

After taking part in this workshop **90%** of students said they were more aware of the different HE options available to them.

80% of students said they were able to identify differences between higher and degree apprenticeships.

As a result of taking part in this activity **89%** of students said they were able to make a more informed decision about whether HE study was for them.

“ It made me look into what I want to do in the future, which I never really considered ”

The evidence demonstrates that the sessions increased students' knowledge and awareness of Higher and Degree Apprenticeships. This improved students' confidence in making an informed course decisions and provided them with the tools to make the right choices for their future.
