

KS4 Level 3 Options August 2020 - July 2021

The 'Level 3 Options' workshop is designed to help students' understand the different level 3 pathways available after GCSE, with emphasis on how post-16 choices can shape future education and career choices.

Engagement

No. of students	830
No. of schools	11
No. of survey responses	369

After attending this workshop **80%** of students said they understood the different level 3 course pathways available to them.

As a result of this activity **87%** of students identified the correct level 3 option for a specific HE pathway.

64% of students gained practical knowledge to support them in choosing their next steps.

78% of students also stated that they understood how level 3 choices can shape their future plans.

When asked what their next steps would be students

“ I will do some research to find out how I learn and what path will best suit me. ”

“ Research the correct subjects to take to get to where I want to be. ”

“ Search online to see what are the positives and negatives of picking different ones. ”

This evidence demonstrates that the Level 3 Options workshops have increased students' understanding of the different post-16 pathways available and how they influence their progression on to HE. The workshops also had a positive impact on students' confidence in their ability to make informed choices about their future.
