

Year 9 Pre-16 Careerpivot: Jobs & Job Sectors August 2020 - July 2021

Careerpilot: Jobs & Job Sectors sessions give students the opportunity to explore different job sectors, careers and the qualifications necessary to enter different professions. It also encourages them to consider HE as part of their career route, including higher-level apprenticeships.

Engagement

No. of students	1164
No. of schools	11
No. of survey responses	279

82% of students found the Careerpivot website useful in helping them to explore different job sectors and career options.

76% of students were more confident researching a future job or career path after attending this session.

78% of students used Careerpivot to discover new jobs and the entry qualifications required.

As a result of taking part in this session **73%** of students knew how Careerpivot could help them to find courses linked to careers they are interested in.

The evidence demonstrates that introducing the Careerpivot website helped students learn how to find different career pathways. The sessions increased students' understanding of the benefits of HE study, improved their research skills and raised their aspirations.
