

KS4 Pre-16 Careerpivot: My Skills Profile August 2020 - July 2021

Careerpilot: My Skills Profile sessions help students identify their skills and experience relevant to HE progression and how they align with those required in different jobs.

Engagement

No. of students	530
No. of schools/colleges	7
No. of survey responses	227

83% of students could identify the skills and study requirements they would need to follow a career they are interested in.

87% of students understood how transferable skills link to their plans for the future.

84% of students could name two or more transferable skills they could use in their own personal statement.

As a result of participating in this session **70%** of students were more confident in making decisions about their future.

“ I discovered interesting job choices and the qualifications I will need to achieve those jobs. ”

The evidence demonstrates that Careerpivot: My Skills Profile sessions increased students' confidence in evidencing their transferable skills for HE and career progression, increased their knowledge of HE and raised aspirations.
