ABOUT US

Next Steps South West (NSSW) is a collaboration of 14 partner universities and colleges throughout Cornwall, Devon, and Somerset, funded by the Office for Students (OfS).

As the region's Uni Connect programme, we help young people navigate their own personal journey to higher education (HE). Throughout the region, we hold events and activities designed to inspire students aged 14-19 years old to fulfil their potential. Together we raise aspirations and awareness, while improving access to HE, helping students make informed decisions about their future.

To ensure that students receive the right information at the right time, we've created a programme of interventions aimed at developing soft skills and knowledge of educational pathways. Our work is entirely impartial, so students can decide what suits their individual needs.

What is Uni Connect?

The Uni Connect Programme brings together 29 partnerships of universities, further education colleges, and other local partners. To find out more visit:

- Introduce HE pathways.
- Inform on local HE provision.
- Explore local labour market information.

Development Stage - Year 10 & 11

Consolidation Stage - Year 12/13, Post-16

- Raise aspirations within subject areas and HE progression routes.
- Develop confidence and ability to make informed HE choices.
- Spend time on HE campuses with student ambassadors and lecturers.

- Encourage progression to HE through your School Development Plan.
- Nominate an HE Advisor, most probably your Careers Leader, who reports to SLT.
- Monitor progression rates to HE at Governing Body level.
- Continue to engage with the NSSW institutional outreach programmes to achieve GB7.
